Class Trip Situation – HW

Mrs. Moore’s third grade class wants to go on a field trip to the science museum.

- The cost of the trip is \$245.
- The class can earn money by running the school store for 6 weeks.
- The students can earn \$15 each week if they run the store.

a. How much more money does the third grade class still need to earn to pay for their trip?

b. Write an equation to represent this situation
