Geometry Poster Journal Prompt

Of all the 4Cs, which do you think you did your best work during this lesson? (Creativity, Critical Thinking, Communication, Collaboration) Why? How do you know?

In the boxes below, write one thing you learned or reviewed from observing your classmates' presentations of their posters.

Symmetry	How to Use a Protractor
Types of Angles	Adding Angles
Subtracting Angles	Classifying Triangles
Classifying Polygons	Types of Lines
