

Homework: Narrative QuickWrite Prompts

Directions: Choose a prompt to respond to, using your expert group animal as the main character in your response. For each response, be sure to use the narrative techniques discussed in class and carefully chosen words and phrases to describe the characters, experiences, and events precisely. Try to choose a different prompt each time.

- **Your expert group animal sees a large bird flying above, looking at it. What does it do?**
- **Describe the setting where your expert group animal lives. What does your expert group animal see? What does it hear? What does it smell?**
- **Your expert group animal meets an animal that is not a predator. How does it interact with this animal?**
