

Name: _____

Excerpt from "Sanders edges Buttigieg in New Hampshire primary"

New Hampshire held its presidential primary on Tuesday, February 11. It was the second state to vote. Bernie Sanders is a lawmaker from Vermont. He finished in first place. He wanted to prove he is the Democratic front-runner. The winner of the Democratic primary will face President Donald Trump in November.

Results came in through the night. Sanders held a small lead over Pete Buttigieg and Amy Klobuchar. Buttigieg is the former mayor of South Bend, Indiana. Klobuchar is a senator from Minnesota. Senator Elizabeth Warren from Massachusetts was in fourth. Former Vice President Joe Biden was in fifth.

Sanders gave a speech for his victory. Buttigieg and Klobuchar followed Sanders with a strong finish. Warren told her cheering supporters, "We are just getting started."

1. According to the passage, which candidate came in third? _____

2. What detail from the text proves your answer to #1? _____

3. According to the passage, what does Bernie Sanders want to prove? _____

4. What detail from the text proves your answer to question #3? _____
